This Fall, September 15<sup>th</sup> - November 15<sup>th</sup>, the Neshoba Library invites you to participate in the Fall Genealogy Findings Contest! Participation is simple, and you never know what you might find!

Contestants will conduct their genealogy research between September 15<sup>th</sup> and November 15<sup>th</sup> to determine their “most interesting find.”

- They will prepare a short, 600 words or less description of the find and submit up to 3 photos to help illustrate their research.
- Contestants reports will be reviewed by a panel of librarians and local history/genealogy experts and scored on a rubric

The contestant with the highest score on the rubric will be deemed to have discovered the 2016 “most interesting find!”

The winner will receive a free AncestryDNA kit to uncover more interesting finds about his or her ancestry.
